Centerville, UT, 84014

General Comment

It seems ridiculous that the government wants to tell me how I can spend my money. It like I have to start my childhood all over again. Stop getting into ALL of my business. I hate the fact that we live in the greatest country in the world and the government is trying to make us the worst country. Stop the madness and go with what our fore fathers Founded this country on! Stop the craziness of change.
